

The Life House Chiropractic - Introductory Offer for New Patients

by Promenade Staff August 25, 2011

[The Life House Chiropractic](#) (*19 E. 71st St. (5th-Madison Aves.), Suite 5A, 212-876-3286; lifehousechiropractic.com*) is Manhattan's only Torque Release specific Chiropractor, delivering gentle adjustments with one of the newest chiropractic techniques to relieve and eliminate pain, as well as help people suffering with headaches, insomnia, low energy, injuries, fibromyalgia, MS, and even mental emotional issues such as anxiety and depression. Dr. Josh Wagner sees great results with some of the worst conditions in the shortest amounts of time. He is passionate about finding and correcting the root cause of a person's health concerns, and not merely treating the symptom. Located on the upper east side, Dr. Wagner is available for house calls and emergency hospital visits as schedule permits.

To make an appointment, or for more information, call *212-876-3286*.
